*Beyond October*  
 a day of hope, healing, restoration, and transformation

*Charlie Crist*  
 Governor

As Governor of the great State of Florida, I applaud organizations throughout the Sunshine State who are working tirelessly in the fight against cancer. The PinkTealies Award Symposium will bring many women and medical professionals together on this special day to share their inspirational stories and continue raising cancer awareness.

*thank you*

Thank you to all the speakers, hostesses, sponsors, supporters, and nominees, for being an advocate for cancer awareness. See you on September 9th @ Rosen Centre.

The Beyond October Campaign, is a health and education PSA Initiative to fight for a cure and eradicate cancer with prevention forums, education, early diagnosis, and healthy lifestyle behavior.

Cancer is a disease that has various effects on Women and will touch each person, each family, each community, and each heart differently. Living with Cancer takes tons of strength and a woman's experience with cancer is not only a physical journey, it's a spiritual journey as well, *Beyond October*.
